BADU® Pro E Series

Self-Priming High Flow Pump

Our flagship pump, the BADU® Pro was designed with pool service pros in mind. A drop-in replacement for both the Hayward® Super Pump® and Pentair® SuperFlo®, it directly replaces the majority of pumps on the market.

BADU Pro-II E SSD

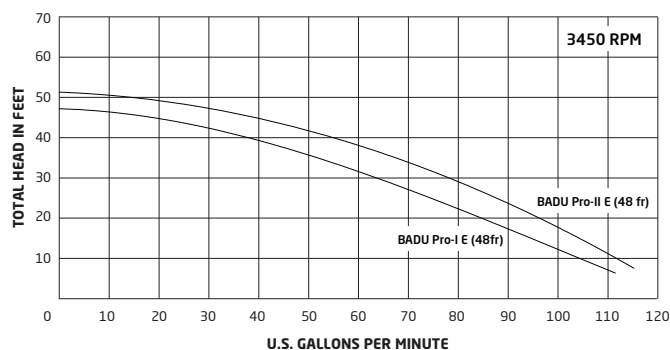

Features

- Easily serviceable 4-bolt design.
- Easy-open fold out handles.
- All pumps come standard with both internal threads and quick disconnect unions.
- Every pump is performance wet-tested in our Jacksonville, Florida factory.
- The BADU Pro E Series is available in 3/4 and 1 THP, and with 1.5" or 2" fittings.
- New TEFC motor built by SPECK at our own facility, for total control over durability, quality and cost.
- New included riser allows for direct replacement of WhisperFlo® and IntelliFlo® models.
